NLPOA 34th Annual Training Convention / Conference

On February 10, 2006 The NLPOA/DPLO attended the California State Conference in San Diego, California. The purpose was to give a presentation to the National Latino Peace Officers Board on hosting the NATIONAL LATINO PEACE OFFICERS TRAINING CONFERENCE / CONVENTION in October of 2007.

It was a success after the Executive Board of the NLPOA/DPLO – President; Detective Rufino Trujillo, Vice-President; Sergeant Leonard Mares, and Treasurer; Technician Reyes Trujillo, gave a convincing presentation. Denver won the competition against Puerto Rico and San Jose, California to host this event. Information and the membership's assistance will be an important ingredient for success. Please contact your NLPOA/DPLO board to notify them of your interest. In 2007 the NLPOA training at that convention in Denver will be open for all peace officers. There is a slightly higher cost for non-members of the NLPOA. More information will follow as it becomes available.

Sponsorship from various companies, entities and others is key for the success of this momentous effort.

The Board of Directors thanks the members for their feedback on various issues. This is one reason for better communication beginning with this news letter.

Each of you has been assigned to a board member. They have been instructed to contact you and get your home email address in order to better communicate the workings of this organization. As a reminder, any items received without the approval of the NLPOA/President such as surveys, questioners, and other items are not sanctioned by the NLPOA/DPLO unless specifically endorsed and signed by the President of the NLPOA/DPLO. Disregard those items.
