

Denver Police Officer

Technician Reyes Trujillo

Currently the NLPOA Colorado State Chapter Treasurer

Greetings Fellow NLPOA/ DPLO Members,

Please allow me to introduce myself and ask for your vote to remain on the board of directors of the Colorado State Chapter and/or Denver Police Latino Organization Chapter of the National Latino Peace Officers Assn in 2009.

My name is Reyes Trujillo and I am a Community Resource Officer currently assigned to DPD District Two.

I was the 2005 Technician of the year, I wrote four programs adopted by the Denver Police Department and which are in place today, and I wrote the Business Watch Program which is one of the 2009 Strategic Plans set forth by the Chief of Police and city administrators.

As for the commitments I have made to you, the membership;

- **I have been a member of the current board since October 2002, and have the Treasurer duties which I have been doing since 2003.**
- **I am a founding member of the Colorado Chapter of the National Latino Peace Officers Association.**
- **I have advocated for fair treatment of all officers and demand equal treatment for officers of color.**
- **All too often, officers who find themselves in trouble find themselves standing alone. I represent members in their time of need. I have represented members in internal affairs in discipline hearings.**
- **I have represented Latino's in the community and those who have attempted to join the ranks of dedicated officers when they are turned away and not given reasons or areas of needed improvement for the next testing.**
- **I have brought the statistical data to the civil service commission showing disparity in hiring standards for review.**
- **I have represented Latino's on the Civil Service Commission PERC committee which oversees promotional, hiring and discipline standards.**
- **I have been on the mayor's blue ribbon task force on hiring standards.**

- I have conducted all financial duties associated with the association including keeping the state of Colorado Secretary of State's Office up to date on all revisions of bylaws.
- I coordinated all three Fiestas held for this membership which was attended by city leadership and membership alike and received great reviews for the detail involved.
- I helped coordinate the most recent National's NLPOA training and conference held here in Denver which included a variety of details such as fund raising, hotel planning, hosting the hospitality room and coordinating a safe environment for guests from across the United States.

I have enjoyed serving you and have recognized that it is a privilege that I have not taken for granted. I also pride myself in accomplishing my duties (My word is my bond) and am ever ready to stand up for those in their time of need.

Once again, I ask for your support in this important election as we still have much to accomplish and this can be accomplished through hard work and not empty rhetoric.

Best Regards

Reyes Trujillo

Treasurer

Colorado State Chapter

National Latino Peace Officers Association
